## Try to include:

- all ages and abilities
- other churches or community groups

## Example:

A family history project could include online indexing, story recording at care centers, photographing gravestones, indexing library records, taking and posting photos and videos of important documents, objects, photos, and so on.

## Other Ideas:

- Sponsor a food drive for a local pantry, or help with Meals on Wheels.
- Have a clothing drive, and then hold a big community giveaway.
- Visit care centers, serve hospice groups, or sponsor a blood drive.
- Do a project at a local park or school.
- Ask churches or organizations in your community what they need help with.
- Look at [JustServe.org](https://JustServe.org) for projects ideas.

## Share:

Success stories will inspire ideas. Don't forget to share what you are doing. Assign someone to take photos and do a write-up for social media and post information about the service on [unithistory.ChurchofJesusChrist.org](https://unithistory.ChurchofJesusChrist.org).
